2023 NEW MOONCAKE
COLLECTION

DEDICATED TO INHERIT THE PASTRY TRADITION

Imperial Patisserie has meticulously selected the top notch ingredients from all over the world to create the fine pastries for customers. We have received ISO22000:2018 and HACCP, with our products 100% made in Hong Kong.

THE LEGENDARY MASTER CHEFS COLLABORATIONS

The success of Imperial Patisserie relies on our professional culinary team including the founder of Custard Mooncake – Chef Yip Wing Wah and his sole inheritor Chef Lai Wing Koon.

Chef Yip Wing Wah has worked as the Head of the Dim Sum Section of Spring Moon of The Peninsula Hotel for over 30 years. Michelin-starred Chef Lai Wing Koon has served as Head Chef for several luxurious hotels. Both of them have incorporated traditional craftsmanship and modern technology to hand craft a wide array of Mooncakes.

The Grand Gold Award from Monde Selection for 5 consecutive years

Monde Selection is one of the world most authoritative and representative food award since 1961. Every year, more than 80 experts gather to evaluate and have a tasting of the food products from all over the world.

With the unique craftsmanship, our two Master Chefs have garnered the Grand Gold Award from Monde Selection for 5 consecutive years and our Lava Mooncake is the first in receiving this award in Hong Kong.

EXQUISITE GIFT BOX DESIGN

Riding on the preceding success, we have created the Mooncake Gift Box with delicate paper art, featuring unique leather texture and embroidered lines on the boxes.

On top of the double layered square box in champagne gold, amber orange and light purple colour, we have also created the elongated box in celadon green, sky blue and romantic pink colour.

This year, we have also introduce lemon yellow to inject a refreshing feel to the Mooncake Boxes.

The mooncake boxes can be recycled for use
– become a jewellery box after the festive season.

FROM CUSTARD MOONCAKE TO LAVA MOONCAKE

The founder of Custard Mooncake - Chef Yip Wing Wah and his sole inheritor Chef Lai Wing Koon has joined forces to hand craft the Lava Custard Mooncake, based on the craftsmanship for the traditional Custard Mooncakes.

On top of Lava Custard Mooncake, the two Master Chefs have meticulously created a wide array of Lava collection.

A blend of craftsmanship and technology

The Lava Mooncake involves a high level of craftsmanship and technology. If the lava is too thin, it will be absorbed by other fillings. If it is too thick, it will condense and affect the lava flowing effect. With over a hundred times of testing, the two Master Chefs have successfully created the best lava effect under room temperature.

Lava Ginger Mooncake

A selection of high-quality fresh ginger has been grounded into ginger juice.

Lava Green Tea Mooncake

With new formula, the green tea aroma is even stronger.

Lava Custard Mooncake

A selection of French natural butter and top salted egg yolk secret fillings, with the silky Lava Custard effect.

Lava Sesame Mooncake

The granules are filled with high-quality black sesame seeds, blended with high-quality sesame fillings.

Lava Durian Mooncake

Selected with the top Musang King Durian, the new formula gives it an even stronger taste of durian.

The luxurious Supreme Series features the top notch ingredients and extravagant packaging. The new Bird's Nest Custard Mooncake is hand crafted in limited edition. Top quality Bird's Nest is used. The exquisite Mooncake Box in amber orange color, featuring the crown logo is the best premium gift for the festive season.
